

## **New Franchise Opportunities!**

\*\* SBA loans available for many of these Franchises \*\*

### **In-Home Tutoring**

In home tutoring is a hot concept in an incredible growth market – education. Providing comprehensive teaching materials and twenty five years in the business helping tens of thousands of students achieve academic success.  
Total Investment: \$50k

### **Medical Billing**

Professional Medical Billing & Practice Management Consulting Service - The Right Opportunity at the Right Time! The two industries that continue to outperform even under the current economic times are IT & Healthcare services. Electronic Medical Billing combines them both.  
Investment: \$15k to \$35,000

### **Tax Return Service**

This recession proof business requires only 4 months per year involvement, serving customers from 18 to 70 year olds. No experience required with full training provided. Total Investment: \$35k-\$50,000

### **Travel Services**

Travel Services is a low investment business opportunity which yields high returns and no travel experience required. Offering full service travel, not just cruises. Total Investment: \$495.00 - \$15,000

## **Commercial Cleaning Service**

Providing janitorial and commercial services, both short and long term, for the cleaning of office buildings, retail centers, or any other institutions that require cleaning on a daily, weekly or monthly basis. This franchise's history of strong performance in the industry has helped them become the franchise of choice for many entrepreneurs. Total Investment: \$42,000 plus Van.

## **Deck Cleaning**

Specializing in restoring old weathered decks in poor condition and saving clients from needing to spend unnecessary amounts of money to replace them. Doing whatever needs to be done to leave the customer satisfied and their deck looking brand new. Services provided include anything from power washing to remove all mold and dead wood cells, refinishing it to its natural state, and repairing any imperfections due to wear and tear. Investment: \$25,000-\$45,000

## **Home Health Care Services**

Home health care provides non-medical services to seniors, the disabled, chronically ill and others who require limited assistance with their daily living needs and want to receive care in the comfort and safety of their homes. Non-medical care enables clients to regain their independence, provides an alternative to nursing homes, and gives family caregivers needed respite from the daily responsibilities of caring for a loved one. Total Investment: \$68,750 to \$98,500

## **Home Cleaning Services**

Providing professional home cleaning with a focus on customers for life. This unique program increases the life of a customer through superior guaranteed service and ongoing communications designed to build value and customer loyalty. Total Investment: \$83,000 - \$105,000

## **Financial Services**

America's first Retirement & Estate Planning Franchise and we teach Franchisees with no experience in the financial services industry "from A to Z" how to be successful Retirement & Estate Planning professionals with an unlimited income opportunity. Franchises are awarded across the USA to select individuals that market to the community at large.

Total Investment: Avg. \$95,000

## **Handyman Services**

North America's largest handyman and remodeling company in a huge \$200 billion dollar industry with very little true competition. Handyman targets assertive leaders (not craftsman) to operate a multimillion dollar business. Franchisees focus on the business, not in the business, to oversee marketing, sales, operations and profitability.

Total Investment: \$68k to \$109k

## **Home Organization Services**

Each franchisee designs, sells, manufactures and installs the complete portfolio of products including closets, offices, garages, pantries, wall-units and wall-beds. Total Investment: \$126,000 – \$296,500

## **Junk Removers**

It is our mission to save the Earth, one piece of junk at a time. By 2016 the goal is to donate and recycle 100% of all items removed, setting the standard in the United States for eco-friendly disposal practices. Total Investment: \$125k

## **Window Cleaning Services**

Franchisees do not clean windows, they have employees who do the windows, and their job is to manage the business. Focuses on low rise commercial window cleaning and have developed it into a much larger and more profitable business than most would ever dream possible. Companies that provide low rise commercial window cleaning are typically unimpressive and poorly managed. This franchise offers a very professional approach and a very clean professional look combined with an effective, straightforward sales process that just gobbles up market share.

Total Investment: \$80k - \$140k

## **Mobile Pet Services**

A scalable home based business in the dynamic pet industry going to the pet owner's home to groom their pets, thus reducing stress on the pet, with the added convenience of saving their owner valuable time by not having to drive to a traditional groom shop. Total Investment: \$130,000 - \$140,000

## **Painting Business**

This franchise creates great business people who run successful painting companies. With our systems and support, franchisees will own a significant piece of the estimated over \$80 billion home services industry. Franchisees will generate wealth fast with a small initial investment and low overhead. Capturing market share in a thriving industry with no national competitor.

Total Investment: \$115K to \$140K

## **Ice Cream and Yogurt Shop**

An Ice Cream and Frozen Yogurt Shop is a fun business that appeals to a wide consumer base, requires a minimum amount of inventory and is a cash business that is relatively easy to operate. All American stores do not require long hours, a large staff or the need for a substantial facility.

Total Investment: \$145k - \$265k

## **Commercial Printing**

The Marketing, Printing and Direct Manager is an exciting business model where you deliver a full array of high quality marketing communications services to businesses of all types. It's a real marketing business! It is a model that can generate a significant income with only one location and can also be expanded through acquisition, making growth much quicker than traditional business models. Total Investment: \$167,352 - \$589,654

## **Fast Food Burgers**

Sitting alone at the top in the 'best burger' niche, separate from the 'better burger' crowd this franchise has awards from around the country to back up that claim. Will compete against any burger – any place – any time! Total Investment: \$197,800-\$599,800

## **Frozen Custard, Yogurt, Cookies**

The only franchise in the self-serve weigh and pay category with three “cool treats” in one store, PREMIUM ICE CREAM, FROZEN CUSTARD and FROZEN YOGURT. Plus 12 choices of FRESH BAKED COOKIES. The menu appeals to the entire family not just the typical Frozen Yogurt customer. Can run full-time or absentee with a low labor, great ROI and margins. Total Investment: \$218k - \$874k

## **Floor Covering Services**

Floor coverings for residential and commercial customers offering the ability to shop for flooring at their location on their time. Offering Carpet, Tile, Hardwood, Laminate, Area Rugs, and Luxury Vinyl flooring. With one the largest selections of flooring from every major manufacturer. Total Investment: \$137,000 - \$310,000

## **Grilled Wraps Restaurant**

Grilled wraps offer an explosive growth opportunity since it's uniquely positioned at the intersection of HEALTH and FLAVOR. It combines a hot/modern look, with fresh-grilling, high-quality ingredients, reasonable prices, and the very popular ability for customers to customize their selections. A market solution for so many who are looking for an exciting, flavorful, and healthy alternative to boring quick-serve food. Total Investment: \$350k

## **Massage Salon**

Massage franchise came from realizing the new direction that the world is taking. We saw a need for a convenient way for the average person to reduce stress and improve their health and well being. Always conveniently located, open 7 days a week with extended hours and offer affordable prices in a gender neutral atmosphere. With over 130 sessions available each day, our certified male and female therapists can always accommodate a busy schedule. Total Investment: \$150k to \$300k

## **Indoor Adventure Park**

With a unique Indoor Adventure-Trampoline park concept, we are one of the largest adventure parks in the US featuring over 35,000 square feet of world-class unique & challenging activities which cater to a wide age range. Total Investment: \$1.5mil-\$2.5mil.
