Business Description

2020 sales are growing due to expanding business received from local dealerships. So far in 2020 this has resulted in an extra \$5000 - \$7000 per week in additional revenue. This privately owned and operated full service auto repair specializes in full mechanical, electrical, drive line and chassis maintenance and repair. Located in an area with high end vehicle dealers, this location enjoys a high level of activity from clients who prefer to have their vehicles maintained with personal attention. Seller is an ASE Certified Master Certified master technician. Business provides a high level of customer service. Facility is located on a main avenue in a service mall with other automotive and light truck service providers. There are 6 bays, 6 hoists, small parts crib, tool storage, and office with waiting room. For more information, contact Michelle Webster (734-323-0376).

If you have general questions about the business feel free to call during regular business hours. For details; name, location, financial data you will need to sign, complete and return a NDA.
